If this article is accepted for publication in published numbers in the Jurnal Empati, then I hereby hand over all copyright to the Jurnal Empati and the Faculty of Psychology, Diponegoro University, as journal publishers.

Copyright includes rights to reproduce and provide articles in all forms and media, including reprints, photographs, microfilm and any other similar reproduction, as well as translations. However, the authors still have the right to the following:

1. duplicate all or part of the material published for use by the author himself as classroom teaching material or oral presentation material in various forums;
2. reuse part or all of the material as a compilation material for the author's next work;
3. make copies of material published for distribution within the institution where the author works.

I am responsible for the entire contents of the article sent. I agree that this transfer of rights also applies to all copies made in connection with the submission of this article and I will also inform this agreement to other authors.

Date : 22 April 2025

Author name : Cherry Delfina Setiawan

Signature of the main author or corresponding author: (*use handwriting*)
