

Dear Editor,

We would like to express our sincere appreciation to you and the reviewers for the constructive comments and valuable suggestions provided for our manuscript entitled “BERTAHAN DI TENGAH TEKANAN: STRATEGI COPING MECHANISM MAHASISWA KIP-K YANG AKTIF BERORGANISASI DALAM MENGHADAPI TEKANAN” (Manuscript ID: 54714). We have carefully revised the manuscript in response to all comments and believe that the revisions have significantly improved the clarity, coherence, and overall quality of the paper.

The major revisions include substantial refinement of the Introduction to strengthen the theoretical framework and research gap, clarification of the methodological justification (including participant selection and phenomenological approach), improvement of the Results and Discussion alignment, and correction of references in accordance with APA 7th edition guidelines. All changes have been made systematically in response to the reviewers’ feedback.

In addition, we would like to inform you of an authorship update in the revised version. The second and third authors have been added due to their substantial contributions to the conceptual development, methodological supervision, and critical revision of the manuscript. All authors have reviewed and approved the final revised version and agree with its submission to the journal. This change has also been updated in the manuscript file and in the submission metadata to ensure transparency and compliance with publication ethics.

We appreciate the opportunity to revise our work and hope that the revised manuscript is now suitable for publication in your journal.

Thank you for your consideration.

Sincerely,

Muhammad Fatihul Ihsan
