

DIPONEGORO MEDICAL JOURNAL

(Jurnal Kedokteran Diponegoro)

e-ISSN : 2540-8844

Volume 9 Nomor 3 Mei 2020

Publish by : Faculty of Medicine, Diponegoro University - Semarang Indonesia

The effect of polyometrics training on explosive power of Medical Students in Diponegoro University
The effect of mat pilates in lumbar flexibility of overweight and obese children
The impact of body mass index to acute myocardial infarction in-hospital patients mortality rate in dr. Kariadi Hospital
Right ventricular and pulmonary hypertension in chronic obstructive pulmonary disease and restrictive lung disease
Antimicrobial effect of arrowroot (*Maranta Arundinacea* L.) methanolic extract against *staphylococcus aureus* bacterial growth
The effect of jengkol seed (*archidendron pauciflorum*) extract to plasma MDA level due to deep second degree burn wound in *sprague dawley* rats
The correlation between cell of origin subtype with overall survival of diffuse large b-cell lymphoma patients in Kariadi General Hospital Semarang
Correlations between successful therapy and anxiety level of post operative glaucoma patients

The effect of breastfeeding education among postpartum mothers on exclusive breastfeeding practice one month after delivery
Comparison of the effectiveness of curcuma domestica extract and curcuma xanthorrhiza extract against liver function and hepatic cell inflammation on streptozotocin-induced diabetes mellitus mice
The influence of beetroot (*beta vulgaris*) on spermatozoa vitality of wistar rats exposed to mosquito coils
The difference of neutrophil lymphocyte ratio (NLR) in conventional and electric smokers
The effect of turmeric extract (*curcuma longa*) on the improvement of muscle mass in swiss diabetes melitus mice skeletal muscle induced by streptozotocin
Clinical and histopathological characteristics of primary brain tumor disease in RSUP dr. Kariadi Semarang
Kepatuhan cuci tangan petugas rawat inap di Rumah Sakit Nasional Diponegoro Semarang

Focus and scope

Diponegoro Medical Journal accepts articles covering all aspects of medicine and health sciences from students, lecturers, and practitioners working in the fields of medicine and health sciences.

Section Policies

This journal contains articles of open submissions, indexed, and peer reviewed.

Peer Review Process

Articles published in this journal have been subjected to review process by peer reviewers and editorial board. The decision whether a manuscript is accepted or rejected is fully in the authority of editorial boards. Plagiarism aspects are screened by validation team using tools e.g. by Google Scholar findings.

Publication Frequency

This journal publishes 6 issues per annum.

Open Access Policy

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

Publication Ethics

Diponegoro Medical Journal is a peer-reviewed journal published by Faculty of Medicine, Diponegoro University. This statement clarifies ethical behaviour of all parties involved in the act of publishing an article in this journal, including the author, the chief editor, the Editorial Board, the peer-reviewer and the publisher. This statement is based on COPE's Best Practice Guidelines for Journal Editors.
