Gambaran Kapasitas Fungsi Paru Pada Masyarakat Di Sekitar Pembangkit Listrik Tenaga Uap (Pitu) Kabupaten Jepara

Focus and scope

Diponegoro Medical Journal accepts articles covering all aspects of medicine and health sciences from students, lecturers, and practitioners working in the fields of medicine and health sciences.

Section Policies

This journal contains articles of open submissions, indexed, and peer reviewed.

Peer Review Process

Articles published in this journal have been subjected to review process by peer reviewers and editorial board. The decision whether a manuscript is accepted or rejected is fully in the authority of editorial boards. Plagiarism aspects are screened by validation team using tools e.g. by Google Scholar findings.

Publication Frequency

This journal publishes 6 issues per annum.

Open Access Policy

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

Publication Ethics

Diponegoro Medical Journal is a peer-reviewed journal published by Faculty of Medicine, Diponegoro University. This statement clarifies ethical behaviour of all parties involved in the act of publishing an article in this journal, including the author, the chief editor, the Editorial Board, the peer-reviewer and the publisher. This statement is based on COPE's Best Practice Guidelines for Journal Editors.
