Enforcement Of Medical Discipline Violations In Indonesia

Determination Of Dengue Viral Infection Severity In Pediatric Based On Physical Examination And Laboratory Tests: A Case Study Of A 7 Months Old Baby With Dengue Haemorrhagic Fever

Antioxidant Effect Of Longan Pericarp Extract In Paracetamol-Induced In Rats

Association Between 25-Hydroxyvitamin D Levels And Growth Parameters In Thalassemia With Repeated Blood Transfusion

The Influence Of Various Concentrated Cherry (Muntingia Calabura) Extract In Preventing Lactobacillus Acidophilus In Vitro

The Effect Of Coriander Leaves Extract On The Degree Of Wistar Rats Liver Microscopic Damage Was Given Mercuric Chloride Orally

The Effect Of Vco To The Growth Of Candida Albicans On Denture Basis Of Acrylic Resin

Appropriate Usage Of Antibiotics And Its Cost-Effectiveness

The Effect Of Coffee Brewing Methods On Tooth Discoloration

Comparison Of Duration Playing Defense Of The Ancients-2 Video Game With Reaction Time

The Comparison Between Plyometrics Exercise With Aerobic Exercise Towards Decision-Making In Young Adults

Quality Of Life Among Tuberculosis Patients With And Without Diabetes Mellitus Before And After Anti-Tb Drugs Administration

Comparison Between Laparotomy And Laparoscopy Colorectal Cancer For Length Of Hospital, Surgical Site Infection And Intraperitoneum Adhesion

The Effect Of The Acidity Of Fermented Milk Against The Hardness Of Nanohybrid Composite Resin

The Comparison Of Plasma Malondialdehyde Levels Among Osteoporotic And Non-Osteoporotic Postmenopausal Women

Published by :

Faculty of Medicine Diponegoro University-Semarang Indonesia

Focus and scope

Diponegoro Medical Journal accepts articles covering all aspects of medicine and health sciences from students, lecturers, and practitioners working in the fields of medicine and health sciences.

Section Policies

This journal contains articles of open submissions, indexed, and peer reviewed.

Peer Review Process

Articles published in this journal have been subjected to review process by peer reviewers and editorial board. The decision whether a manuscript is accepted or rejected is fully in the authority of editorial boards. Plagiarism aspects are screened by validation team using tools e.g. by Google Scholar findings.

Publication Frequency

This journal publishes 6 issues per annum.

Open Access Policy

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

Publication Ethics

Diponegoro Medical Journal is a peer-reviewed journal published by Faculty of Medicine, Diponegoro University. This statement clarifies ethical behaviour of all parties involved in the act of publishing an article in this journal, including the author, the chief editor, the Editorial Board, the peer-reviewer and the publisher. This statement is based on COPE's Best Practice Guidelines for Journal Editors.
